

In a time characterized by an abundance of information and communication, we know how important it is to make it easy to gain an overview of the necessary tools in your work. Therefore, we have gathered everything our consultants need during the collaboration with 7N in one place. My7N is our internal consultant hub, which you will have full access to from the first day of your collaboration with 7N.

On your "Profile Details" page, you can update your personal information and settings such as email, phone number, company details, notifications, and preferred workplaces. Additionally, you can manage your subscriptions to newsletters and event invitations.

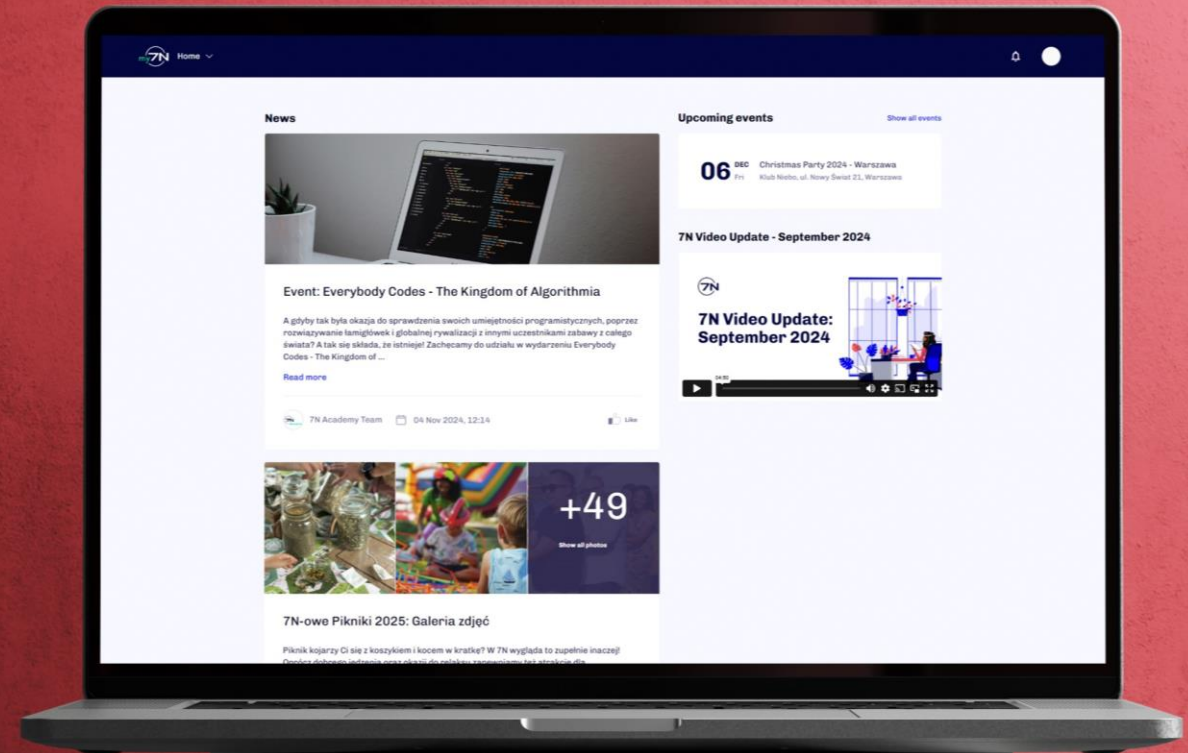

Besides "Profile Details," you will find the following in my7N:

- 7N Timeline

# 7N Timeline

On the 7N Timeline, you will find the latest news from 7N, pictures from events, and an overview of upcoming events.

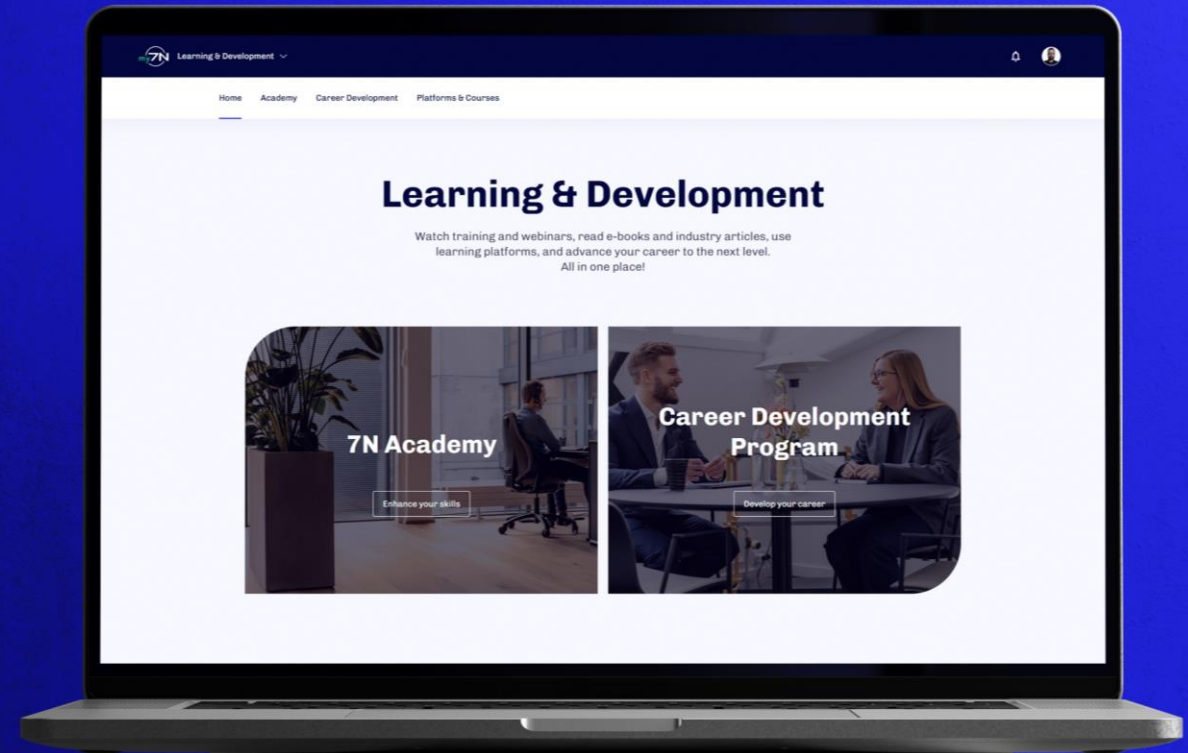

# Consultant Guide

The Consultant Guide is your guide to the first weeks of collaboration (and beyond). Here you will find the most important information about 7N, as well as a contact list of all teams, including your personal agent.

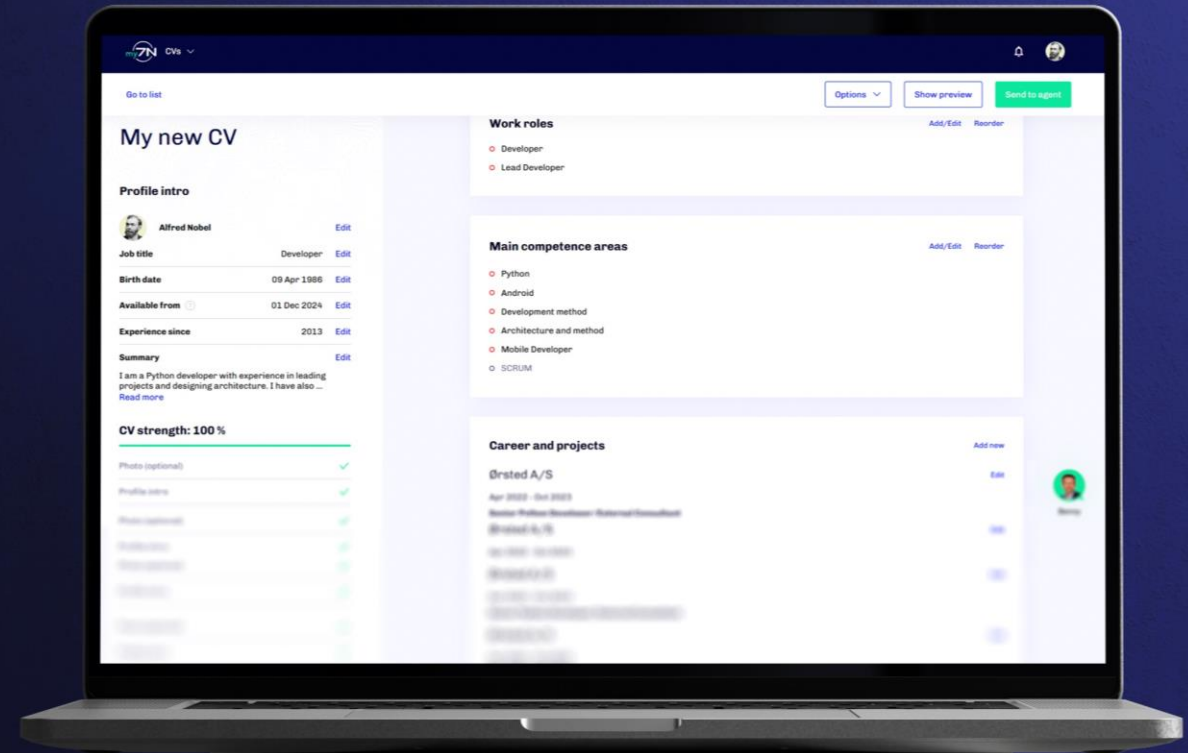

# Learning & Development Universe

In my7N, there is a learning platform to which consultants have unlimited access, exactly when they need it. Develop your technical competencies, business understanding, and general industry knowledge through courses, webinars, articles, and much more.

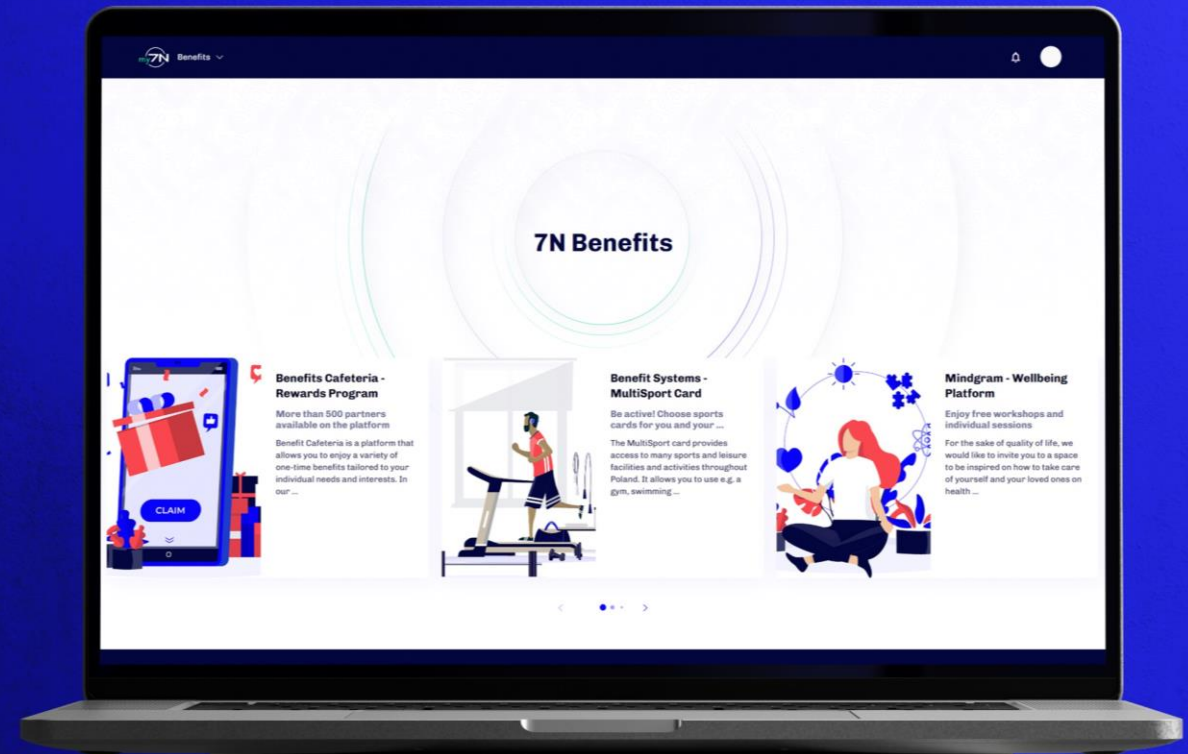

# 7N CV

In the 7N CV section, you can create multiple CVs and edit them as needed. The recruitment and sales teams use your CV on my7N to ensure continuity in your tasks, so it's a good idea to keep your CV updated.

# 7N Benefits

Does the idea of discounts on purchases and hotel stays sound tempting? Take advantage of the benefits package without limitations and manage all initiatives in one place – the Benefits page in my7N.

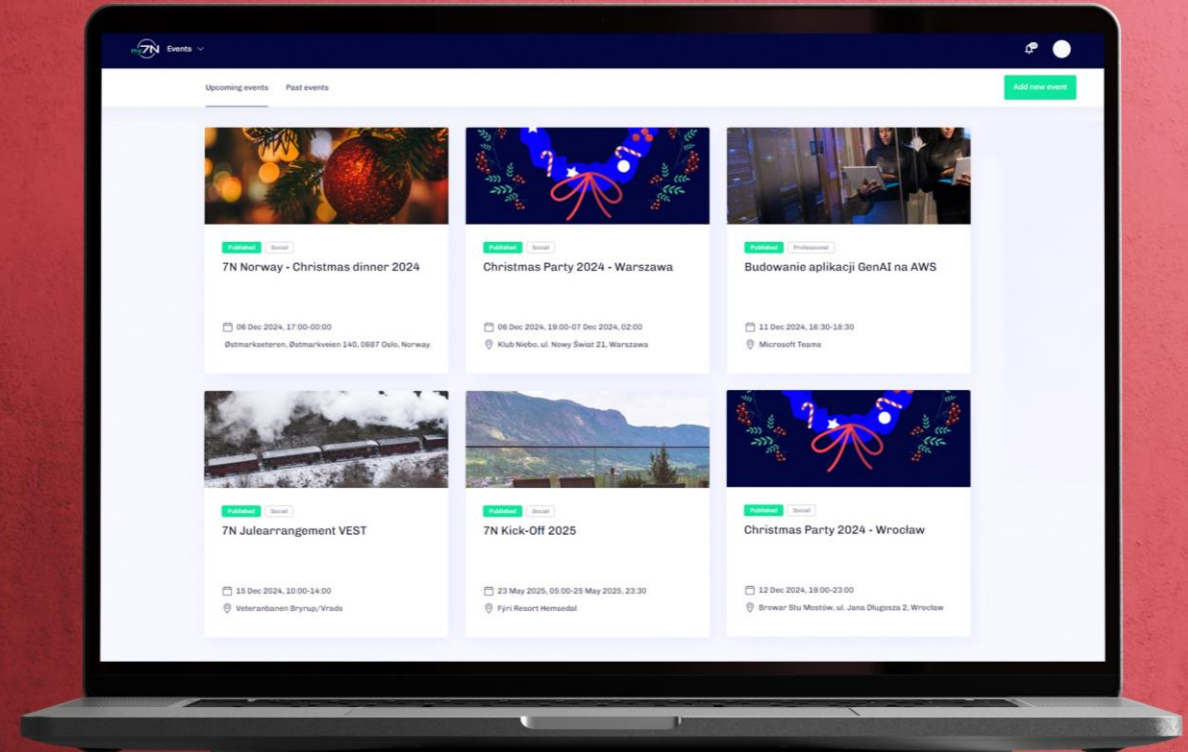

# 7N Referral

On my7N, you can also find 7N Referral, which allows you to refer individuals from your professional network to become 7N consultants. If you refer a consultant who gets an assignment through us, you will, of course, be rewarded. During the referral process, you can track the status of the candidate you have referred.

# 7N Events

Under Events, you can keep track of all the events you're invited to and access the registration details. You will be notified on the my7N Timeline when new events are announced.
